

Vistra Energy to Report First Quarter 2017 Results on May 18, 2017

DALLAS, May 5, 2017 /PRNewswire/ -- Vistra Energy (OTCQX: VSTE), the parent company for TXU Energy and Luminant, plans to report its first quarter 2017 financial and operating results on Thursday, May 18, 2017. Management will present the results during a conference call and webcast beginning at 11 a.m. EST (10 a.m. CST) on Thursday, May 18, 2017.

The live, listen-only webcast of the conference call can be accessed via the investor relations section of Vistra Energy's website at www.vistraenergy.com. For those unable to participate in the live event, a replay of the call will be available on the Vistra Energy website for one year following the call.

About Vistra Energy

Vistra Energy is a premier Texas-based energy company focused on the competitive energy and power generation markets through operation as the largest retailer of electricity and generator in the growing Texas market. Our integrated portfolio of competitive businesses consists primarily of TXU Energy and Luminant. TXU Energy sells retail electricity and value-added services (primarily through our market-leading TXU Energy™ brand) to approximately 1.7 million residential and business customers in Texas. Luminant generates and sells electricity and related products from our diverse fleet of generation facilities totaling approximately 17,000 MW of generation in Texas, including 2,300 MW fueled by nuclear power, 8,000 MW fueled by coal and 6,000 MW fueled by natural gas, and is a large purchaser of wind-generated electricity.
