About Vistra Energy

Vistra Energy (NYSE: VST) is a premier, integrated energy company based in Irving, Texas, combining an innovative, customer-centric approach to retail with a focus on safe, reliable, and efficient power generation. Through its retail and generation businesses, Vistra operates in 20 states and the District of Columbia, and six of the seven competitive markets in the U.S., with about 5,400 employees. Vistra is one of the largest competitive residential electricity providers in the country, and its retail brands serve approximately 3.7 million residential, commercial, and industrial customers with electricity and gas. The company's generation fleet totals approximately 41,000 megawatts of highly efficient generation capacity, with a diverse portfolio of natural gas, nuclear, coal, solar, and battery storage facilities. The company is currently developing the largest battery energy storage system of its kind in the world – a 300-MW/1,200-MWh system in Moss Landing, California.
