### About Vistra Energy

Vistra Energy (NYSE: VST) is a premier, integrated, Fortune 350 energy company based in Irving, Texas, providing essential resources for customers, commerce, and communities. Vistra combines an innovative, customer-centric approach to retail with safe, reliable, diverse, and efficient power generation. The company brings its products and services to market in 20 states and the District of Columbia, including six of the seven competitive retail markets in the U.S. and markets in Canada and Japan, as well. Serving nearly 5 million residential, commercial, and industrial retail customers with electricity and gas, Vistra is the largest competitive residential electricity provider in the country and offers over 40 renewable energy plans. The company is also the largest competitive power generator in the U.S. with a capacity of approximately 39,000 megawatts powered by a diverse portfolio of natural gas, nuclear, coal, solar, and battery energy storage facilities. In addition, the company is a large purchaser of wind power. The company is currently developing the largest battery storage system of its kind in the world – a 300-MW/1,200-MWh system in Moss Landing, California. Vistra is guided by four core principles: we do business the right way, we work as a team, we compete to win, and we care about our people, our neighbors, and our stakeholders.
