IRVING, Texas, Dec. 15, 2022 /PRNewswire/ -- In the spirit of the holiday season, TXU Energy is providing a little extra winter warmth to our neighbors by donating \$100,000 to fight hunger and \$50,000 to support community initiatives with non-profit partners across Texas.

"Our food banks and social service agencies provide vital assistance to so many Texas families, and this year, the need is particularly great," said Scott Hudson, president of TXU Energy. "This holiday season, we welcome the opportunity to ensure food is on the table and basic needs are met in the communities we serve. At TXU Energy, being part of the solution is written in our corporate DNA and integral to who we are as Texans."

TXU Energy's Winter Warmth contributions directly support 12 food banks and 12 social service organizations assisting people across the state. Giving highlights include, among others:

- **Houston – The Houston Food Bank:** \$20,000 will fund the purchase of 60,000 nutritious meals for children and families across the Houston area.
- **Dallas – North Texas Food Bank:** \$20,000 will assist in the ongoing pursuit of closing the hunger gap in North Texas.
