

## **Vistra Prices Upsized Private Offerings of \$400 Million of Senior Secured Notes and \$350 Million of Senior Notes; Upsizes Cash Tender Offers to \$750 Million**

IRVING, Texas, Dec. 11, 2023 [/PRNewswire/](#) -- Vistra Corp. (NYSE: VST) (the "Company" or "Vistra") announced today the pricing of upsized private offerings of \$400 million aggregate principal amount of 6.950% senior secured notes due 2033, which form a part of the same series of the Issuer's (as defined below) outstanding 6.950% Senior Secured Notes due 2033 issued on September 26, 2023, at a price to the public of 102.177% of their face value (the "Secured Notes") in a private offering (the "Secured Offering") and \$350 million aggregate principal amount of 7.750% senior unsecured notes due 2031, which form a part of the same series of the Issuer's outstanding 7.750% Senior Notes due 2031 issued on September 26, 2023, at a price to the public of 102.00% of their face value (the "Unsecured Notes" and, together with the Secured Notes, the "New Notes") in a concurrent private offering (the "Unsecured Offering" and, together with the Secured Offering, the "Offerings") to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the "Securities Act"), and to certain non-U.S. persons in accordance with Regulation S under the Securities Act. The Secured Notes will be senior, secured obligations of Vistra Operations Company LLC, a Delaware limited liability company and an indirect wholly owned subsidiary of the Company (the "Issuer"), and the Unsecured Notes will be senior, unsecured obligations of the Issuer. The Secured Notes will bear interest at the rate of 6.950% per annum and the Unsecured Notes will bear interest at the rate of 7.750% per annum. The New Notes will be fully and unconditionally guaranteed by certain of the Issuer's current and future subsidiaries that also guarantee the Issuer's Credit Agreement, dated as of October 3, 2016 (as amended, the "Credit Agreement"), by and among the Issuer, as borrower, Vistra Intermediate Company LLC, the guarantors party thereto, Credit Suisse AG, Cayman Islands Branch (as successor to Deutsche Bank AG New York Branch), as administrative and collateral agent, various lenders and letter of credit issuers party thereto, and the other parties named therein. The Secured Notes will be secured by a first-priority security interest in the same collateral that is pledged for the benefit of the lenders under the Issuer's Credit Agreement and certain other agreements, which consists of a substantial portion of the property, assets and rights owned by the Issuer and the subsidiary guarantors as well as the stock of the Issuer. The collateral securing the Secured Notes will be released if the Issuer's senior, unsecured long-term debt securities obtain an investment grade rating from two out of the three rating agencies, subject to reversion if such rating agencies withdraw the investment grade rating of the Issuer's senior, unsecured long-term debt securities or downgrade such rating below investment grade.

The Company intends to use the proceeds from the Offerings together with cash on hand (i) to fund the cash tender offers announced by the Company earlier today (the "Tender Offers") to purchase a portion of the Issuer's outstanding 3.55% Senior Secured Notes due 2024, 4.875% Senior Secured Notes due 2024 and 5.125% Senior Secured Notes due 2025 up to an aggregate principal amount that will not result in an upsized aggregate purchase price that exceeds \$750,000,000 (subject to increase or decrease by the Issuer), (ii) to pay fees and expenses related to the Offerings and the Tender Offers and (iii) to use the remainder, if any, for general corporate purposes.

As referenced above, the Company has determined, in connection with the upsize of the Offerings, to correspondingly upsize the maximum purchase price under the Tender Offers from \$500 million to \$750 million.

The Offerings are expected to close on December 22, 2023, subject to customary closing conditions. The consummation of the Secured Offering is not conditioned upon the consummation of the Unsecured Offering, and the consummation of the Unsecured Offering is not conditioned upon the consummation of the Secured Offering. The New Notes will not be registered under the Securities Act or the securities laws of any state or other jurisdiction and may not be offered or sold in the United States absent registration or an applicable exemption from such registration requirements.

This press release shall not constitute an offer to sell or a solicitation of an offer to buy the securities described above, nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of such state or jurisdiction.
