

Vistra Announces Private Offerings of Senior Secured Notes and Senior Unsecured Notes

IRVING, Texas, April 9, 2024 /[PRNewswire](#)/ -- Vistra Corp. (NYSE: VST) (the "Company" or "Vistra") announced today the launch of senior secured notes due 2034 (the "Secured Notes") and senior unsecured notes due 2032 (the "Unsecured Notes" and, together with the Secured Notes, the "Notes") in concurrent private offerings (the "Offerings") to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the "Securities Act"), and to certain non-U.S. persons in accordance with Regulation S under the Securities Act. The Secured Notes will be senior, secured obligations of Vistra Operations Company LLC, a Delaware limited liability company and an indirect wholly owned subsidiary of the Company (the "Issuer"), and the Unsecured Notes will be senior, unsecured obligations of the Issuer. The Notes will be fully and unconditionally guaranteed by certain of the Issuer's current and future subsidiaries that also guarantee the Issuer's Credit Agreement, dated as of October 3, 2016 (as amended, the "Credit Agreement"), by and among the Issuer, as borrower, Vistra Intermediate Company LLC, the guarantors party thereto, Citibank, N.A. (as successor to Credit Suisse AG, Cayman Islands Branch and Deutsche Bank AG New York Branch), as administrative and collateral agent, various lenders and letter of credit issuers party thereto, and the other parties named therein. The Secured Notes will be secured by a first-priority security interest in the same collateral that is pledged for the benefit of the lenders under the Credit Agreement and certain other agreements, which consists of a substantial portion of the property, assets and rights owned by the Issuer and the subsidiary guarantors (which does not include Vistra Vision LLC, a Delaware limited liability company ("Vistra Vision") and its subsidiaries) as well as the equity interest of the Issuer and the 85% equity interest of Vistra Vision owned by Vistra. The collateral securing the Secured Notes will be released if the Issuer's senior, unsecured long-term debt securities obtain an investment grade rating from two out of the three rating agencies, subject to reversion if such rating agencies withdraw the investment grade rating of the Issuer's senior, unsecured long-term debt securities or downgrade such rating below investment grade.

The Company intends to use the proceeds from the Offerings for general corporate purposes, including to refinance outstanding indebtedness (including the upcoming 2024 debt maturities) and to pay fees and expenses related to the Offerings.

The consummation of the Secured Offering is not conditioned upon the consummation of the Unsecured Offering, and the consummation of the Unsecured Offering is not conditioned upon the consummation of the Secured Offering.

The Notes will not be registered under the Securities Act or the securities laws of any state or other jurisdiction and may not be offered or sold in the United States absent registration or an applicable exemption from such registration requirements.

This press release shall not constitute an offer to sell or a solicitation of an offer to buy the securities described above, nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of such state or jurisdiction.
